

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

To the Specification:

On page 4, line 6, delete "of Claims 2-6" and replace with -- some of the claims --.

On page 4, line 8, delete "of Claims 7 and 8" and replace with -- some of the claims --.

Remarks

The above changes were required as the prosecution changed the claims whereby there were no longer 2-6 claims and claims 7 and 8. The examiner has amended the specification to generically recite that the claims includes the enumerated features found in the specification as detailed on page 4, lines 6-9.
